- For the years 2010, 2011 and 2012, The Parish has received a total of €14,281.88 through the **Charity Donations Scheme**. This is the proceeds of the tax reclaimed from donations given by parishioners to support the church and the income of the priest above the amount of €250. From 2013 onwards all donations above €250 from all taxpayers, both PAYE and self employed, qualify for a tax rebate to the parish at the rate of 31%. We will soon contact parishioners, whose donations qualify, to sign the required form in order to make the claim. All proceeds are used to fund the running, repair and upkeep of the parish and its property.

- **Seeing the beauty and goodness in front of us** We don't have to go far to find the treasure we are seeking. There is beauty and goodness right where we are. And only when we can see the beauty and goodness that is close by, can we recognise beauty and goodness on our travels far and wide. There are trees and flowers to enjoy, paintings and sculptures to admire; most of all there are people who smile, play and show kindness and gentleness. They are all around us, to be recognised as free gifts to receive in gratitude. Let's try to see the beauty and goodness in front of us before we go elsewhere to look for them.
