- We deeply appreciate the very generous financial support given by the people of the parish to the priests of the diocese and to the **Parish Envelope System** which enables us to keep your churches in the condition in which you would expect to find them. Your contributions are used to fund the running, repair and upkeep of the parish and its property. Using the Parish Envelope system to make your contribution has many advantages. It ensures you can avail of a personal receipt annually. It enhances the transparency of our Parish Accounts by ensuring a 'paper trail' exists. It qualifies our parish for the 'Tax Refund Scheme'. But that said, support in whatever form it is received, is very much appreciated. You may be aware that the Minister of Finance introduced in 2001 a new 'Scheme of Tax Relief for Donations to Eligible Charities', for which our parish qualifies. The tax rebate can only be claimed by the parish if the donation equals €250 or more in a full tax year. Those of you who have contributed this amount during 2013 should expect a letter during the coming week explaining how we can reclaim money from the Government at no further cost to you. We know you will understand that money dropped directly into the basket cannot be utilised in this scheme as it is not traceable back to the donor. That is why the envelope system (or payment by Direct Debit or cheque) is so beneficial to the parish. **This scheme is completely confidential and will not affect your current tax situation in any way.**

- **Children Learn What They Live:** If a child lives with criticism, he learns to condemn. If a child lives with hostility, he learns to fight. If a child lives with ridicule, he learns to feel shy. If a child lives with shame, he learns to feel guilty. If a child lives with tolerance, he learns patience. If a child lives with encouragement he learns confidence. If a child lives with praise, he learns appreciation. If a child lives with acceptance, he learns to love. If a child lives with approval, he learns to like himself. If a child lives with recognition, he learns it is good to have a goal. If a child lives with sharing, he learns generosity. If a child lives with honesty, he learns truthfulness. If a child lives with fairness, he learns justice. If a child lives with kindness and consideration, he learns respect. If a child lives with security, he learns to have faith in himself and in those about him. If a child lives with friendliness, he learns the world is a nice place in which to live. A Reminder for us of the need to pray daily for our children.
