- **A Parable of Church Workers** Fred Somebody, Thomas Everybody, Peter Anybody and Joe Nobody were neighbours, but they were not like you, I'm sure. They were odd people and most difficult to understand. The way they lived was a shame. All four belonged to the same church, but you would not have enjoyed worshipping with them. Anybody wanted to worship on Sundays but was afraid Somebody wouldn't speak to him. So guess who went to Church, Nobody. Really Nobody was the only decent one of the lot. Nobody did parish visitations and Nobody worked on the church's committees. Once they needed a Sunday School Teacher, Everybody thought Anybody would do it, while Anybody thought Somebody would do it. And you know who actually did apply for the position? That's right, Nobody!
