- **Live the Word** In the build up to the festive season, remember Christmas is a symbolic tradition. it is not centred on the pressures of having everything done and the list ticked. Rather, Christmas is a season where we have the opportunity to meet old friends, spend time with family, connect to those around us, and embrace the happiness. Christmas is a time to slow down, reflect and be present to the joy that surrounds us.

- **Lord, help me to take one day at a time** not modelled by the past or scared of the future. Shelter me from the anxieties of the unknown and help me to put aside all fearful thoughts and imaginations. In times of need, enlighten me to see that help is near and give me the strength to reach out and let someone know. Let there always be someone there to help me. Lord of my today and tomorrows, help me to remember that nothing is going to happen to me that you and I together can't handle. Amen
