The cycle route is 40 miles but participants may cycle stage 2 only (8 miles) if they wish. There will refreshments and entertainment in the G.A.A. Centre after the cycle and there will be a raffle which people may like to support even if they are not cycling. All proceeds will go to the South Eastern Cancer Foundation. - This week marked six months since Haiti was devastated by a massive earthquake. Immediately after the disaster, parishes across Ireland answered Haiti's call for help and held collections for **Trocaire's emergency response**. As part of *Caritas Internationalis*, the world's second biggest humanitarian network, Trócaire can rapidly access communities in disaster-stricken countries. These close links make sure your donations reach suffering people immediately and that, together, we can save lives. Parishes like Dunhill & Fenor helped raised €4,681,168, which is now rebuilding shattered lives across Haiti. Thanks to your generosity, Trócaire has provided: Shelter to 900,000 people, life-saving healthcare to one million people, food to one and a half million people, help rebuilding schools and hospitals, school-feeding programmes, safe places for children in five main temporary camps, trauma counselling and education for affected children. Trócaire is now planning a major five-year rebuilding and reconstruction programme. Your support at this crucial time has helped the country take its first steps towards a new future. Thank you from Trócaire and most importantly, the people of Haiti. Visit www.trocaire.org.
