- **Flooding in Pakistan:** The Order of Malta's international relief service, Malteser International, is currently on the ground in Pakistan, caring for thousands of people in the Swat Valley. Having been active in the area since the earthquake in 2005, Malteser International is well placed to distribute staple food to families in the severely affected districts of Swat and Kohistan to assure their survival for the coming months. Families are also being provided with family kits containing cooking equipment and tarpaulins to protect themselves against the enduring rain, and hygiene kits. If you would like to make a donation towards the relief effort in Pakistan please hand your donation in to the sacristy this week and we will make sure it gets passed on to those working there.
