- **Changes to texts within the Liturgy of the Eucharist** – *'May the Lord accept...and the good of all his holy Church'*. This response remains unchanged except for the addition of the word 'holy' in the end phrase. This word appears in the Latin text and so is being added to the English text. The change in the response to "The Lord be with you" as "And with your spirit" has already been noted. The only other change in this dialogue is the final response which is what is found in the Latin "It is right and just". These words are taken up by the Priest as he continues the Eucharistic Prayer with the Preface itself: It is truly right and just. - *prepared by the National Centre for Liturgy.*
