- **Gardening the Soul** Our obsession with possessions is incredible. We collect things only to cast them aside. Things we may never need again, we hold on to. Our wants can go way beyond our needs, and may become greed. The more we give in to our wants, the more out of control our life becomes. It gets filled with clutter and chaos, confusion and crisis. Living simply, attending only to our needs, we can feel liberated and empowered.
- **God** loves you so much, that he made you read this, just to let you know
- **Last week's Parish Collection:** Masses €336.10 and Envelopes €989.40. Thank you for your continued support.
