- **The Clock of 2016** The clock of life is wound but once and no one has the power,
 To tell just where the hands will stop – at late or early hour
 To lose one’s wealth is sad indeed, to lose one’s health is more
 To lose one’s soul is such a loss – as no one can restore
 The present only is our own – live, love and work with all goodwill
 Depend not on tomorrow for the clock may then be still. (*Robert H Smith*)
