- **Reflection for Families:** Children adapt to change. They love the excitement of something new. As parents, however, we'd like to slow down the changes we see, changes in our community, our jobs, government, and even the changes in our growing children. As it was for the disciples, it's hard sometimes for us to understand and accept things changing in front of our eyes. However, change and constant motion are part of the divine plan as we journey to God. Today, instead of digging in our heels to slow the change, try lightening your heart as a child and accept with joy, the changes you face.
- **Last week's** Parish Collection: Masses €329.70 and Envelopes €529.90. Thank you for your continued support.
