- **Week of Prayer for Christian Unity:** Each year a special week of Prayer for the unity of all Christian people takes place from 18<sup>th</sup> to 25<sup>th</sup> January. Several Christian denominations broke away from Rome down through the centuries. These divisions will continue, some are historically based, some theologically. One of the great wishes of the Second Vatican Council was to see the re-unification of all Christian Churches. Much progress has been made and some of the doctrinal issues have been reconciled, but many are still under discussion. The movement for Christian Unity began in 1908. In 1935 the special week of prayer was initiated.

- **The Clock of 2017** The clock of life is wound but once and no one has the power,  
 To tell just where the hands will stop – at late or early hour  
 To lose one’s wealth is sad indeed, to lose one’s health is more  
 To lose one’s soul is such a loss – as no one can restore  
 The present only is our own – live, love and work with all goodwill  
 Depend not on tomorrow for the clock may then be still. (Robert H Smith)
