- **The Perfect Story:** There was a perfect man who met a perfect wife. After a perfect courtship, they had a perfect wedding. Their life together was, of course, perfect. One snowy, stormy Christmas night this perfect couple was driving along a winding road when they noticed someone at the roadside in distress. Being the perfect couple, they stopped to help. There stood a perfect man with a huge bundle of toys on his way home. Not wanting to disappoint any children on Christmas Eve, the perfect couple loaded the man and all his toys in their vehicle. Soon they were driving along until unfortunately, the driving conditions deteriorated and the perfect couple and the perfect man had an accident. Only one of them survived the accident...Who was the driver? *Answer:* The perfect woman. She's the only one that really existed in the first place. Everyone knows that there is no such thing as the perfect man. *A male's response:* So, if there is no perfect man the perfect woman must have been driving. This explains why there was an accident.
- **Last week's** Parish Collection: Masses €338.93 & Envelopes €282.60. Thank you for your continued support.
