#### World Mission Sunday

The most important day of this month is today, World Mission Sunday, This is the one Sunday in the year that Pope Francis asks you to pray a little stronger and dig a little deeper so that faith, hope and love can flourish. Contributions given on World Mission Sunday will support the fearless and selfless work of our missionaries, who live shoulder-to-shoulder with people in communities that are struggling and often war-torn. Mission Sunday is a time for you to fully appreciate the dedication of these missionaries who are there before, during and after any crisis.
