Dunhill-Fenor Defibrillator Group

Church gate collection on Sunday 2nd Dec in Dunhill Church
We are raising funds to buy 2 new Defibrillator's (AED's) and heated boxes.
One for Dunhill and one for Fenor.
These Defibrillators will be accessible to the public and also the Ambulance services by means of a keypad. These are essential to the community.
We will appreciate any support you can give.
We aim to have another collection in Fenor Church in early 2019.

Interesting fact for November

As World War ended in November 1918, the Spanish flu pandemic spread across the globe. It affected one billion people and caused more deaths than the Great War, with over 20,000 deaths here in Ireland. In a bid to combat the spread of flu schools in the area were closed from October 30th to January 7th.

Please take the newsletter home with you or to a neighbour / relative or friend.
