Saint Brigid's Blessing
 May Brigid bless the house wherein we dwell.
 Bless every fireside, every wall and door.
 Bless every heart that beats beneath its roof.
 Bless every hand that toils to bring its joy.
 Bless every foot that walks portals through.
 May Brigid bless the house that shelters us.

Did you know! Saint Blaise was the bishop of Sebaste in Armenia during the fourth century. Very little is known about his life. According to various accounts he was a physician before becoming a bishop. His religion spread throughout the entire Church in the Middle Ages because he was reputed to have miraculously cured a little boy who nearly died because of a fishbone in his throat. From the eighth century he has been invoked on behalf of the sick, especially those afflicted with illnesses of the throat.
