- The **Irish Cancer Society** has written to thank you for your support in their recent church gate collection which raised €128.00 and will go towards making a difference in the lives of people affected by cancer.
- **Gardening the Soul** Our obsession with possessions is incredible. We collect things only to cast them aside. Things we may never need again, we hold on to. Our wants can go way beyond our needs, and may become greed. The more we give in to our wants, the more out of control our life becomes. It gets filled with clutter and chaos, confusion and crisis. Living simply, attending only to our needs, we can feel liberated and empowered.
- Last week's **Parish Collection**: Masses €414.53 & Envelopes €852.70. Thank you for your continued support.
