- The annual **Fenor Sale of Work** takes place today (Sunday) starting at 2.00 p.m. in Fenor National School. Over the years the Sale of Work has been the catalyst for much of the development that has taken place in our community. Since it started over 40 years ago the beneficiaries have been Fenor National School, Fenor Tidy Towns, Fenor Bog, Fenor Play Park, Fenor G.A.A., Na Gaeil Juvenile G.A.A., Community Care and Fenor Church to name but a few. There will be various stalls such as Bric-a-brac, toys, puddings, cakes and clothes. The spinner will also have great prizes such as Christmas cakes, turkeys, hams and coal vouchers. This year Rudolf and Santa will arrive while a Christmas Wonderland including the Gladitor will create lots of fun and games for the children also available there will be a smaller bouncy castle for the younger children. The main prize of the day is the magnificent Fenor Hamper to the value of €1,500. Tickets are available on the day and from committee members.
- Dr Michael Mullins will continue his in-depth look at the **St. Paul the Apostle** as we prepare to read St Paul's Gospel in Liturgical Year B, beginning in December. His final talk continues in St. John's Pastoral Centre, Waterford, this Tuesday 25th November starting at 7.30 p.m. All are welcome.
- Sr. Antoinette Dilworth will facilitate an **Advent Reflection**, to guide us through the story of God's human incarnation on Saturday next November 29th at 10 a.m. in St. John's Pastoral Centre, Waterford. It promises to be an uplifting, inspirational morning through the medium of prayer, imagery, music and reflection. All are welcome.
- **First Responder training** There are at least six defibrillator units available around the community for use by trained local people. Using them can be the difference between life and death for an individual who is waiting for an ambulance to arrive. The DFBA Community Enterprises Ltd, through Waterford Leader has organised four-hour training sessions for suitable parishioners over eighteen years old. Training normally costs over €100.00 per person but this training is free of charge only for those who apply before the end of November, as the grant period is about to close. Those interested should text their contact details to 087-9186709 as soon as possible.
- **Date for your diary** All parishioners are invited to the DFBA Community Enterprises Group AGM at the Multi-Education Centre on Thursday 4th December starting at 7.30 p.m. Nomination forms for those interested in going forward for election are available from senan@dunhillcopark.com.
- The **Annual Community Care Christmas Party** will take place on Sunday, December 7th, in the G.A.A. Centre, Dunhill. It is always a great occasion when the seniors in our community come together. We hope that all the usual volunteers will help out on the day and new volunteers are always welcome.
- Thanks to those who have completed and returned their **Tax Refund Scheme** certificates. If you received this appeal from the parish and have not yet returned your forms please do so as soon as possible it is still not too late. - **It's Good to Laugh...Heaven's Above** Three men are waiting in line at the pearly gates. St Peter explains the computers are down, so they can't pull up your history on Earth to determine your eligibility into Heaven. So today they will let everyone in, but instead of wings you will get a car and the type will be determined on how faithful you were to your wife. The first guy walks up and admits he was twice unfaithful to his wife so St. Peter hands him keys to a 1988 VW Golf. The second guy admits to being unfaithful once. He receives a 2010 Ford Focus. The third guy walks up and announces that he was always faithful to his wife. St. Peter hands him the keys to a 2014 BMW M4. A few months pass and the first two men notice the guy with the M4 sitting beside it crying. They ask, "Why are you sad? You have the best ride in Heaven and sounds like you were a very good husband!" The third man sighs, wipes away a few tears and says: "I know but I just saw my wife go by on a pair of roller skates."
